Office of Graduate Studies

APPLICATION FOR CANDIDACY FOR THE DOCTORAL or MFA DEGREE

Please print legibly or type.

Please enter data using the latest Adobe Reader or equivalent program.

that the PhD/MFA Comprehensive Examination is completed but no later than the term before he/she wishes to graduate.

This application is to be submitted to the Dean of Graduate Studies during the term in which you have passed the comprehensive examination and fulfilled any language or research skill requirement. Your application will be approved only if your graduate grade point average is at least 3.0 in courses taken since admission to the doctoral program as well as in all courses listed on this application. The Application for Candidacy should be submitted for review/approval to the department for program signatures and, finally, submitted to the Dean of Graduate Studies by the end of the term
